INSECTS :

This is in response to the petition filed January 25, 2006 (certificate of mailing January 13, 2006), under 37 CFR. §1.47(a).

The petition under 37 CFR. §1.47(a) is **DISMISSED**.

Rule 47 applicant is given TWO MONTHS from the mailing date of this decision to reply, correcting the below-noted deficiencies. Any reply should be entitled "Request for Reconsideration of Petition Under 37 CFR. §1.47(a)," and should only address the deficiencies noted below, except that the reply may include an oath or declaration executed by the non-signing inventor. **Failure to respond will result in abandonment of the application.** Any extensions of time will be governed by 37 CFR. §1.136(a).

The above-identified application was filed on July 30, 2003, without an executed oath or declaration. Accordingly, on August 23, 2005, applicant was mailed a "Notice to File Missing Parts of Nonprovisional Application - Filing Date Granted," requiring for the purposes of this decision an executed oath or declaration in compliance with §1.63, and a surcharge for its late filing. This Notice set an extendable two-month period for reply of October 23, 2005.

In reply, applicant filed a petition, the surcharge for late filing of the declaration, and a partially executed declaration. To make the reply timely, a three (3) month extension of time was also submitted. Petitioner has submitted \$130.00 towards the petition fee. However, the current petition fee is \$200.00. A grantable petition under 37 CFR. §1.47(a) requires: (1) proof that the non-signing inventor cannot be reached or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims and drawings); (2) an acceptable oath or declaration in compliance with 35 U.S.C. §§115 and 116; (3) the petition fee; and (4) a statement of the last known address of the non-signing inventor.

As to item (1), rule 47 applicant has failed to show that inventor Pallares was ever presented with a copy of the application papers. Before a refusal can be alleged, applicant must demonstrate a bona fide attempt was made to present a copy of application papers (specification, including claims, drawings, and oath or declaration) to the non-signing inventors. See MPEP 409.03(d). The evidence presented only indicates that the assignment and declaration were the only documents presented. If the application papers were presented, a statement should be provided on renewed petition.

The address on the petition differs from the correspondence address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition. However, the Office will mail all future correspondence solely to the address of record.
